

Disney
THE LION KING
 EXPERIENCE

Help Us Roar!

WORKSHOPS

- ◇ Sat., Aug. 26th
9am to noon
- ◇ Wed., Sept. 6th
5:30pm to 8pm
- ◇ Sat., Sept. 16th
9am to noon

Workshops are located at the QCPAC.

Queen Creek Performing Arts Center
 22149 E. Ocotillo Road
 Queen Creek, Arizona 85142

We need your help, and this is a great and fun family project. Bring the Queen Creek production of The Lion King JR. to life by adopting an animal and/or plant.

What does that mean?—Select an animal and/or plant needed for the production. We will have kits available for you to take home, and you and your family, club, class, individuals will decorate it in the style of the show. The kits come with most of the supplies. There is no right or wrong way to do things. This is a fun art project to help our show and create fun times. Then, mark your plant and/or animal with a small signature, so you can see your project.

↑ Zentangles! ↓

You will receive step-by-step instructions, and the rest is up to you. All animals will have a zentangle pattern to give it the feel of Africa.

Zentangles are different patterns that you create. They can be as difficult or as easy as you want them to be.

Needed Animals/Plants:

- Wildebeests—easy
- Birds—easy
- Large Leaves—easy
- Plants—easy to hard
- Grass Skirts - easy
- Grass Hats—medium
- Gazelles—hard
- Grass bodices—hard

To adopt an animal and/or plant, visit the QCPAC Tuesday thru Friday from 9am to 4pm or attend one of the workshops.
